Travel Counsellors Referral Scheme - FAQs

How do I make a referral?

If you've got someone in mind (and they're serious about the opportunity), send them the link to **this page** and get them to complete the form on it, noting your name as the referrer. If they go on to become a Travel Counsellor, you will be paid the bonus. Remember, the more people you can recommend, the bigger your earning potential.

What is the reason for the new process?

With the new process it's even easier to make a referral – you don't need to collect and input details, simply direct referrals straight to the link provided. This will ensure that your referral goes straight to the most relevant member of our Recruitment team to follow up, and that we can track your referral to make sure you get your bonus.

Can head office colleagues make referrals?

Yes, the referral scheme is open to both head office colleagues and existing Travel Counsellors. Please note that referrals must only be for new TCs, rather than new recruits for head office roles.

Terms and Conditions

• You must introduce your referral to the Recruitment team by sending them the link to the referral page so that they can fill out the form with their details.

• Referrals must be a personal contact of yours.

• The bonus is only paid and gifts awarded based on new Travel Counsellors joining, not head office colleagues.

• If the referral contacts us directly without providing your name, that is not considered a referral and you will not qualify for any part of the referral scheme.

• As a rule, if you referred someone to Travel Counsellors more than 12 months ago and have had no contact with them since, we consider this an opportunity 'lost'. If another Travel Counsellor re-engages with the person you had referred after that initial 12-month period, they will qualify as the referrer thereafter.

• Candidates who are referred must not currently be registered with us, known by or in contact with the Recruitment team, this includes any affiliate companies we may use for recruitment and the use of recruiting via LinkedIn.

• The referral payment of **£1000** is paid to you on your referred TC completing their induction training. This is always paid to you one month in arrears of their go live date, e.g. if your referral goes live on 15th of January, this falls into the February commission run so will appear in your bank account on the 7th working day of March.

• Travel Counsellors shall not be responsible for the payment of tax, VAT or any other statutory deductions in relation to any Referral Fee payable to you.

• Travel Counsellors reserves the right to alter the Terms & Conditions at any point or terminate the referral scheme.

• In the event of any dispute arising between you and Travel Counsellors, Travel Counsellors' decision shall be final.

• If you would like to support new TCs in their first six months with us, we have a dedicated New Starter Mentor Scheme – contact Karina Fox-Andrews or Matt Harding for more information.
